Dear Parents and Eighth-grade Students,

We know that summer vacation has just started, and you probably don't want to think about going back to school just yet. However, the major retailers aren't usually of the same mindset. This year, we decided to come up with a single supply list for the entire eighth grade in order to be able to send it along to you BEFORE the back-to-school sales begin. We know how frustrating it is to see materials that were on sale just a few days after Fourth of July bumped back up to full price just as the supply lists are distributed by teachers. Regardless of which teachers you end up having for the 2017-2018 school-year, the attached supply list will be the same. Enjoy the rest of the vacation and we look forward to meeting you in August!

Sincerely,

The Eighth Grade Teachers
